

FUUSE Online Giving

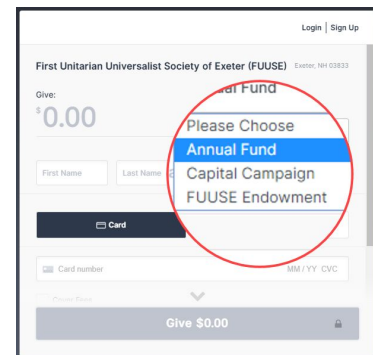

Notes and Tips

- FUUSE uses an online giving platform from Tithe.ly, the same company that provides our Church Management System (ChMS), also known as Elvanto. Online automated giving by you and others helps to save dozens of hours of computer data entry and manual bank deposits by staff and volunteers, reduces errors in your account, and helps protect your privacy. Get started with the “Donate” links on exeteruu.org or fuuse.elvanto.net

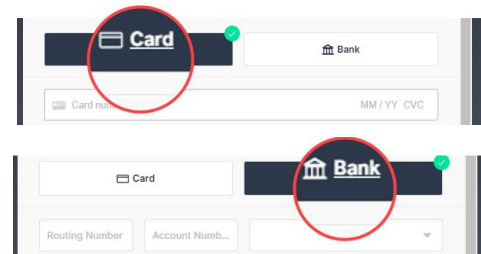

- Your account and password for online giving are **not** the same as your account and password for the Elvanto ChMS. The first time you give through Tithe.ly, you can “sign up.” Later you can “log in.”

Set up a **separate Tithe.ly donation** or schedule of “Recurring Giving” for each fund or campaign to which you are giving (all under your one Tithe.ly account). For example, you may have one schedule for your **FUUSE Annual Fund** giving, and another one for your giving to the **"Building our Future" Capital Campaign**.

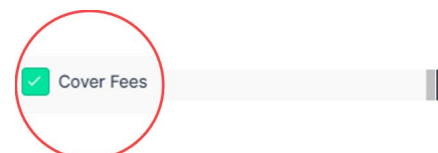

- Scroll down within the window to see all of the settings and choices.

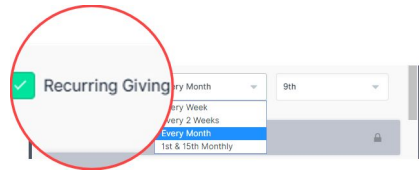

- Feel free to use your credit card if that is best for your money management routines. But be aware that credit **cards are a little more expensive**. For example, a \$100 donation from your "Bank Account" charges FUUSE a fee of \$1.30. The same sized gift from your "Credit Card" has a fee of \$3.20. Amex cards are slightly more costly, charging \$3.80 on a \$100 gift.

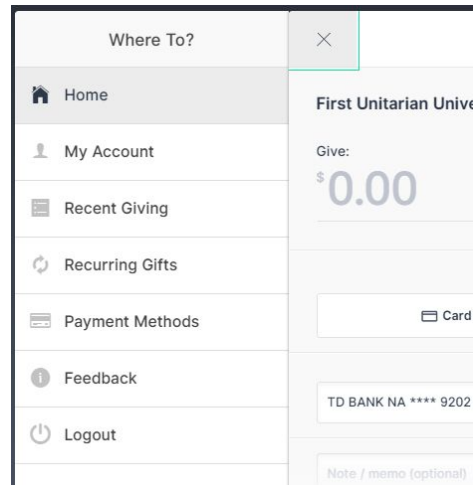

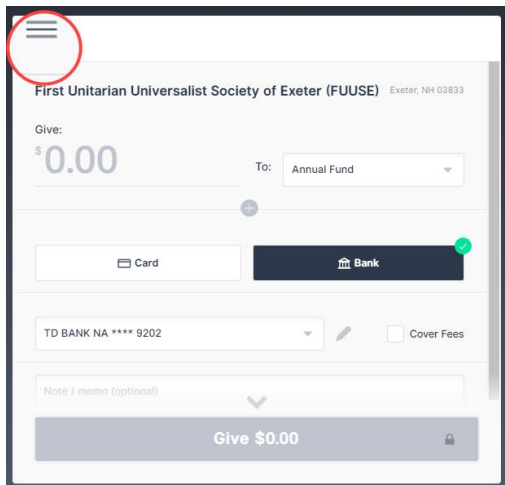

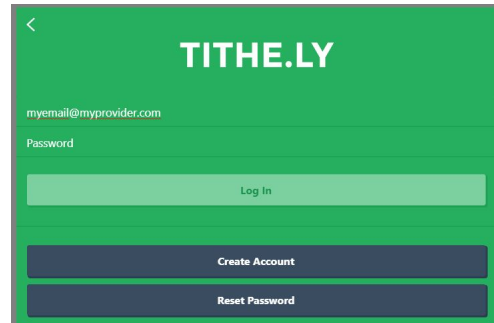

You can **optionally "cover the fees"** yourself using a checkbox, so that FUUSE would "net" the full amount of your original donation (and you will be charged the extra dollar or three). Before you confirm, you can check and uncheck the box to see how it works and calculates.

- You can make a "one time donation," or you can schedule regular Recurring Giving. Warning: **you may have to scroll the window down** to find the Recurring Giving checkbox.

- You can get to **your online giving account** through the "Donate Now" FUUSE Web page. First, use "Remember Me" to create a password (and PIN), then later use "Sign in" to get to your own account. The little stacked bars at the upper left are your "hamburger menu", giving you access to all your account information. With your giver's account at Tithe.ly, you can manage your own payment methods, your contact information, and recurring giving schedule, or you can view your own giving history.

- FUUSE also provides you with complete Giving Statements.
- Call or email the office **if you would like assistance, or if you have any questions or problems.** (603) 772-4002, office@exeteruu.org, webmaster@exeteruu.org
