

SPRING AUCTION 2019 FUUSE

Come celebrate while supporting FUUSE before our upcoming renovation.

This years' key goals include having a great celebration with wine, cheese and crackers and hors d'oeuvres. We will be having both a live and silent auction with lots of service type donations, dinners and much more.

C4: Custom Personalized Crossword Puzzle Donated By: **Lisa Bunker** The perfect gift for the crossword enthusiast in your life. Do you have someone in your life who loves working crosswords? Imagine if you could give them a puzzle that included words and phrases from their life, with clues written especially for them, at just their level of solving skill. FUUSE member Lisa Bunker has a long-running sideline in freelance crossword puzzle construction, including personalized puzzles. If you are the winning bidder, she will construct a puzzle for the crossword an in your life, working with theme vocabulary you provide. The opportunity exists to help write clues. It means a little work on your part, but she'll walk you through the process, and the result will be a unique and memorable gift for your word loving someone. Value: **\$120**

C5: Block Printing on Fabric Donated By: **Dawn Huebner** An afternoon of block printing on fabric. Bring a friend, a spouse or a child over 12 for a half-day of block printing on fabric with Dawn Huebner. We will design and carve a linoleum block, or perhaps several blocks then use the block(s) to print a single or repeating pattern on a set off 4 linen napkins. Can bring your own object like an apron. A set of 4 napkins made by Dawn to be included in the bid. Value: **\$100**

A photograph of a spiral-bound notebook lying on a light-colored wooden surface. The notebook is open, and the words "Creative Writing" are written in a large, elegant, black cursive script on the right-hand page. To the left of the notebook, there is a small, dark glass bottle of ink with a white label. A fountain pen with a light-colored, textured barrel and a silver nib lies diagonally across the left page. Above the notebook, two silver ballpoint pens are placed horizontally. The entire scene is captured in a warm, golden light, creating a cozy and artistic atmosphere.

[illegible]
